

# TIBCO PSG Academic Program

## TIBCO PSG Digital Academy

### INTRODUCTION

#### We want you!

Are you interested in IT topics? Do you want learn cutting-edge technology? You are the right candidates to attend the **TIBCO PSG Digital Academy**.

25 students of the 5th year of Engineering (mathematics, physics, electricity, mechanics, management, IT, automation, electronics, energy, aerospace, transport) will be selected to undertake a training course that includes online sessions with practical cases and project work (individual and group). Participants will be immersed in a context characterized by innovation, competence and sharing, with the aim of giving space to their talent in the digital age.

### WHAT IS?

**TIBCO PSG Digital Academy**, is the program launched by TIBCO, in collaboration with some of the major Italian universities.

The Academy allows a selection of 25 talents to approach the world of work through an immersive approach, combining online sessions with a more practical part with the development of project work in close contact with TIBCO Architects.

### WHY SIGN UP?

- **NO STOP TRAINING:** You will deepen themes and trends related to

the IT world, and how TIBCO technology enables digital transformation by developing new skills. You can do it directly from your home!

- **WELCOME TO TIBCO WORLD:** You will get to know and deal with TIBCO Managers and Architect with whom you can also collaborate concretely on business projects.
- **JOB OPPORTUNITY:** You will have the opportunity, once the course is finished, to join the TIBCO world (& main partner) for thesis projects, internships and apprenticeships.

## THE JOURNEY

- Pre-phase of talent selection before the Academy
- The Academy will last 4 weeks in a virtual room (no onsite due to COVID). Discover the updated program.

## MODULS

### TOPIC:

- Project life approach and Enterprise context experience
